Ngā mihi nui kia koutou katoa,

This weeks newsletter is a little bitter sweet. It is my last newsletter as 'Principal'. And although it has been an experience I have absolutely loved I am looking forward to Miss G's return next term. It is hard to truly appreciate the demands of being a school Principal until you have had the opportunity to be in the position. Thank you to all of you who have supported me through, what turned out to be, an interesting term. Our amazing kids, staff and whānau make Bulls School a wonderful place to be.

It is also with some sadness that we farewell 3 of our staff this week. Whaea Kimiora who, although she has only been with us for a short time, leaves us this week to pursue great things and we wish her well. Sam Withers our Australian Classroom Assistant in the senior hub is preparing for her return to Australia and is hoping to get there before the birth of her first pēpi. Good luck back at home Sam and with your new career as a mum. We look forward to seeing lots of photos and maybe even a visit in the future. And last but not least, Mrs Hanson is off to get a bit of rest and relaxation before the birth of her second pēpi. Good luck Mrs Hanson. We look forward to meeting your baby very soon. We also look forward to your return to Bulls School, in some capacity, in the future. The place isn't the same with out you.

To you all, congratulations on surviving a challenging term. Have a great holiday break and we look forward to seeing you all next term.

Kia pai te haratei - Have a great holiday

TOKOMANAWA

Tokomanawa were very fortunate to have the opportunity to plant a variety of native plants on Friday the 24th of September. Thank you very much to Rangitikei District Council and Manawatu Native Plant Nursery who donated the trees through the Paper for Trees scheme

NGA KAKANO

On Wednesday Ngā Kākano celebrated the bitter, sweet fabulousness of the lemon. We had great fun squeezing them, and then made the juice into a delicious lemonade which we shared with all the teachers. Of course we ended up with lots of pips and skins so we planted the pips and made citrus cleaner out of the skins! Fingers crossed for some little lemon trees sprouting soon! We are a green fingered bunch as we also have some sunflowers sprouting and our bee friendly flowers are coming on a treat! The gardens outside Ngā Kākano are going to be a cheerful sight in Term 4!

RANGATIRA

On Friday a group of Rangatira challenge students went to Table Flat Trekking for horse riding as one of their outdoor activities. They all had a fantastic day learning how to control and care for a horse. They also went for a bit of a trek up and over the hills which was a highlight for many! Sandie the instructor talked about the different things that she needs to do for her horses including looking after their shoes and teeth. The group also went for an explore through the limestone caves that were up the road. We were lucky enough to be able to see glowworms eventhough it was the middle of the day. We have 3 more outdoor activities for next term including a trip to the Rec Room, a bike ride from Ashhurst to Palmerston North and to conclude whitewater rafting (fingers crossed for nice weather next term).
