Ngā mihi nui kia koutou katoa,

Welcome back to school and welcome to Māori Language Week. A week in which we celebrate the indigenous language of Aotearoa. Our challenge is to now normalise it as a part of our everyday lives. We live in Aotearoa, on this whenua. Lets embrace the beautiful language of the tāngata whenua.

It was wonderful to see all of our students back at school as we learn to live with the reality of Covid and the impact it has on our daily lives. Our children have again shown how resilient they are. And maybe they have a new appreciation for school and the stability it brings. The predictability of daily routines, the time with their friends. and the opportunities school provides.

Kia pai te wiki - Have a great week

Megan Syme

KATOA

We should work together for the wellbeing of everyone

This week in Ngā Kakano we are all about the bees! We have been planting bee friendly flowers, learning about honey and pollen and creating honeycomb patterns with hexagons. There will be a guest appearance from Bee-Linda the Bee Keeper on Wednesday and we'll be making some yummy honey sandwiches on Friday.

Unfortunately Whānau Friday won't be able to go ahead until we return to Level 1 but we will still be giving out certificates and Pride bands so keep an eye out on our FB page and Seesaw. As an alternative to Whānau Friday we are introducing a Ngā Toi morning (arts focussed) across the Junior Hub where the tamariki will get the chance to participate in Kapa Haka, drumming, dancing and drama. Such fun!

We are enjoying being back at school and being able to see people face-to-face. Our class is looking forward to having Max from footsteps come this week and to take 2 sessions. He has been showing us how we can integrate technology into fitness, making it lots of fun. Rangatira Challenge students also have horse riding next week - fingers crossed for nicer weather this time!

KĀPATA MANAAKI-CARING CUPBOARD

*Take what you need
Give what you can*

Do you have items at home that you no longer need that would be useful for someone else? Do you have spare non-perishable food items, including

cleaning and personal hygiene products or do you have excessive amounts of seasonal fruits or vegetable that you can put in our Kāpata Manaaki.

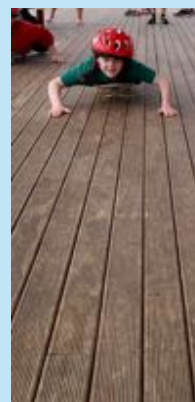

PLEASE - Bring what you can and feel free to

Tokomanawa has liked being back at school and catching up with their friends in person. They have enjoyed continuing their learning around our Keeping ourselves safe inquiry topic with Constable Cree.

HOUSE LEADERS

On Friday we had our Bulls School Olympics Day! Lots of fun was had by everyone in the school and it was great to spend a day trying out some different Olympic Sports with a Bulls School twist. We are already thinking about how we can do something similar next term as Top House and Olympic Day has been a highlight for many.

Send Headlice Packing!

**Check Regularly,
Treat When
Necessary**

- **Anyone can get head lice**
- **Check your children's hair every week**
- **If you find head lice or eggs - you need to treat them**
- **Repeat the treatment: 7-10 days later for chemical & every day or so for wet combing.**
- **For more info, talk to your Pharmacist, Dr or Nurse**

Brazilian Jiu-Jitsu (BJJ) is coming to Bulls!

What is BJJ? It is a martial art and combat sport based on ground fighting and submission holds. We can offer a fun and safe environment for your child to learn a martial art locally. Your child will improve fitness, coordination, self-discipline and teamwork.

Both coaches have children at Bulls School who already learn BJJ and compete in local tournaments. Spaces are filling up fast and are extremely limited.

Please contact Ryan on 022 691 4525 to register your child or would like more information.

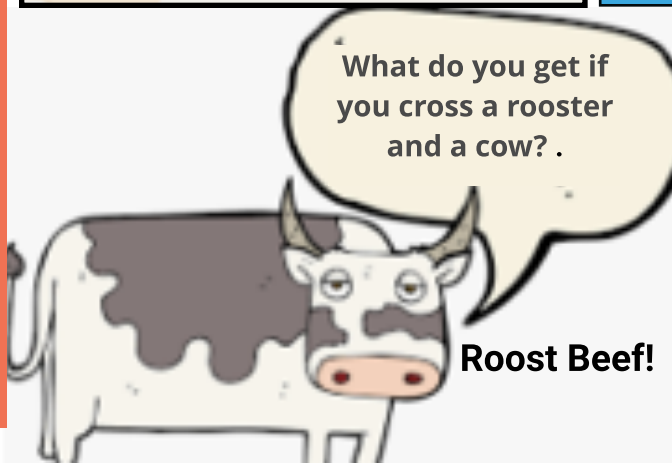

Age 7 – 13yrs old

Pet Day Term 4

Pet Diaries are available from the office for students bringing a lamb, calf or goat to Pet Day.

Birthdays

31/07 Rangimaia
14/08 George

**Working together
for the wellbeing
of all.**

Due to the ongoing risk of Covid, COMPASS (our lunch supplier) is unable to continue to provide the hot meal service for the remainder of Term 3. They want to apologise for any inconvenience. They will be back serving hot lunches again at the start of term 4. There development team have used the period of time during Alert levels 3 & 4 of lockdown, to come up with some really exciting changes for both the hot and cold menu options for the term 4 menu.

WANTED! LEGO

Our lego club is planning the very first 'Bulls School Lego Masters'

If you have any lego you can donate we would greatly appreciate it.
