Kia ora mai tātou katoa,

Welcome to week 4 - and yes time is absolutely flying by! You may have noticed we have already had quite a few events take place. We are doing our utmost to continue to provide a safe but fun learning environment for your child.

That said, I want to share with you some general information relating to the Public Health Order for Education.

Our staff, both teaching and support staff are able to continue to work after November 15 as they have all met the requirements of the order.

This is phase one. Phase two is to ensure we have the correct processes in place for any other contractors or volunteers or support staff who work in our classrooms or alongside our students are able to be onsite.

We do think some of our before and after school processes have slackened off a bit and we plan to review these. While having whānau on school grounds is still encouraged at our school (provided they follow social distancing rules and wear masks and scan if coming to the office) - the reality parents have begun heading into the waiting areas outside of classrooms. As NZ begins to open up more, it is super important to me and our Board of Trustees that we are doing everything to keep our tamariki and whānau safe. You may notice a few areas roped off next week to help us return to better habits.

Finally - we are being as creative as we can to try to go ahead with some form of Prizegiving, all while keeping everyone safe. Please be patient with us while we put this plan together. It won't be the same as previous years, but we do plan to have a prizegiving...watch this space. Kia pai te wiki, have a great week.

Kim Gordon - Tumuaki.

RANGATIRA

The Rangatira had a fantastic time bike riding from Ashhurst to Palmerston North. The wind was definitely not in our favour but smiles were still on everyone's faces as they reached the bridge. The Rangatira Challenge students have pushed and challenged themselves over the year. Their community service, environmental service and new skill development has been outstanding. We look forward to awarding the medals to these hard working students.

TUARONGO

Tuarongo has had a great start to term four. Recently they've had the chance to participate in some sports sessions with Kelly Sports. They loved the opportunity to get out and practice new skills with the leaders from this programme. It was great to see so many students in Tuarongo push themselves in Cross Country, with many of our class experiencing some great success.

Wear mufti on Wednesday 24th November and bring along a grocery or Xmas item for our MONSTER Raffle

The Calfé is closed on Friday, please remember to eat some breakfast before you come to school. at breakfast at home.

BIRTHDAYS

04/10 Jethro
