Kia ora mai tātou katoa,

There is only one more newsletter before the end of term! Where has this term gone!

I am the bearer of sad news. The decision has been made to go ahead with our end of year prizegiving without whānau present. I can assure you I have explored a number of different scenarios and spoken with other schools across the Rangitikei. We are receiving daily updates from the Ministry of Education and other agencies advising against it and we just cannot see how we can go ahead without inviting trouble through the school gates. With the holiday season on the horizon - we have focused on having whānau together rather than risking placing them in isolation type situations.

We are very sorry about this and have already set the wheels in motion to try to do something that allows our whānau to share in the celebration that will take place at school. Once set up this will be communicated widely.

I do however, have some exciting news...Megan Syme has been awarded study leave for 2022. She will start the year with us (about 4 weeks) but then she will be off to study at Te Wananga o Aotearoa for the remainder of the year. We are super excited for her and cannot wait for her to return in 2023 with lots of new knowledge to share with us all!

Lets focus on what we CAN do rather than what we can't do - there is still a lot of fun to be had before the summer break begins, lets do our best to stay positive for our tamariki.

Kim Gordon - Tumuaki.

OUR KĀPATA MANAAKI - SHARING CUPBOARD

It is no surprise to us that our community are fully embracing this. We are constantly blessed with support from our community. We have noticed an increase of offerings as our home gardens begin to thrive. Remember, it is available to give and take from at your leisure and makes the most of ensuring anything we have in abundance is not wasted but shared.

Bulls school is now a Bronze EnviroSchool!

The students and staff at Bulls School have been working very hard over the last couple of years to classify as a Bronze EnviroSchool. On Friday the 12th of November we had a reflection day which resulted in us being rewarded with the title! Thank you to the work of our Bulls school community for helping us reach this stage and a special thank you to those who came to help with the reflection day on Friday.

WE HAVE UKULELE TUNERS!

In term two, the Ukulele group had a cupcake sale to fundraise for a trip to the Kīwilele's festival in Wellington. Unfortunately, this was canceled due to Covid restrictions. We have used the money the students fundraised to buy 21 ukulele tuners so the students can learn the names of the different ukulele strings and assist them with tuning their own ukuleles!

Remember to wear your mask on the School Grounds
